

BEAUTY AND THE BEAST

Royalty Fee

Dear parent or guardian,

Mounting a musical is an exciting, yet expensive endeavor. For the F/X Players' production of **BEAUTY AND THE BEAST**, royalties and music rental fees total \$6,200.00.

In order to offset this cost, each cast member will need to contribute a **\$45 royalty fee**. This fee pays for royalties, which gives us permission to perform the production.

In order for your young person to participate, this fee must be remitted by **March 14th**. Cast members have the option to sell advertising in the program to pay the cost of their fee (one full page ad for \$50 or two half page ads for \$25 each). If an ad is sold, graphic and text will need to accompany this form with payment.

Much thanks,
Wendy F. Knight
